 - A. Welcome all attendees were asked to introduce themselves and tell what agency they represented
 - B. Attendance sign-in sheet was distributed and everyone signed in.
2. Old Business:
 - A. Jim mentioned that one reason for holding a separate meeting in February was to try to get a secretary for the DFEC appointed/nominated. Jim ask the members present for suggestions on how to get a secretary appointed, Bobbie Mowery suggested that Jim call members and ask for volunteers and let them know what the position required, Cindy Hillman, suggested maybe have different members rotate serving in the position for a certain number of months each time. Jim said he would work on contacting the members about filling the secretary position and hopefully he would get someone to volunteer for a few months at a time, so they could give him some help as Chairperson.
 - B. Then, Bobbie ask how were the new amended Bylaws worded concerning monthly meetings, Jim explained that they now stated the monthly meetings would be held on the first Wednesday of each month and location would be announced.
 - C. Jim ask the members about what issues did they want to address in 2004. Cindy stated she would like to see the council develop an accommodations/awareness sheet to provide to the other councils to help them when they plan programs. Jim said that the council would put together the sheet at the March meeting.
 - D. Jim mentioned that he would like to show a new revised CD-Rom on the "CAP" program at the April meeting, everyone agreed and Bobbie Mowery stated that she could provide a Lap-Top computer and projector for running and showing the CD-Rom.

3. New Business:

- A. Bobbie stated that she had purchased a "GET WELL SOON" card for Kendall Crosby on behalf of the DFEC, and she had all members present sign it, and Bobbie ask Jim if he could get Kendall's address so she could mail the card to him. Jim said he could get the address and would send it to her by e-mail ASAP!

4. Comments/Announcements:

Jim ask for suggestions on where to hold the next meeting, and Council members decided that it should be held again at 1500 E. Bannister Road, GSA Federal Complex.
